

SEMINAR – WORKSHOP  
**PDO THREADS FOUNDATION**  
**COURSE FOR BEGINNERS**

Our foundation PDO Thread Course is a comprehensive course designed ONLY for Medical Professionals who wish to offer an exciting, new procedure to their facial aesthetics business. We only teach a maximum of 6 delegates at any one time, this is to ensure that you gain confidence and competence to be able to leave the training and start treating your own patients immediately. PDO Thread foundation course will cover use of PDO Cogs (lifting threads) and PDO Monos (rejuvenation and tightening)

### **Seminar Content/Topics**

- The workshop will be both theory and practical/hands-on.
- Introductory overview about aesthetics and specifically the Non-Surgical face lift using threads
- Explaining different types of threads on the market (smooth/barbed - PDOs/PLLA etc.) and their respective indications
- What can be exactly achieved with each threads type.
- Anatomy overview and exact layers for threads insertion.
- Best facial areas to be tackled.
- Hands on for both procedures, Smooth and Barbed threads.
